I ONLY HAVE TODAY

This is the beginning of a new day. God has given me this day to use as I will. I can waste it or use it for good. What I do today is important because I am exchanging a day of my life for it. When tomorrow comes this day will be gone forever, leaving in its place something that I have traded for it. I want it to be gain, not loss; good, not evil; success, not failure: in order that I shall not regret the price I pay for it.
